Attachments: 19032019 INTERNAL DRAFT Treasure Island Tetra Tech EC RAD Work Summary.docx

Zack and Kimberly,

As we discussed in our call this morning, attached is the internal working draft summary of TTEC's work at Treasure Island. I am sending directly to you in this instance because of the short turn-around time. You will also be copied as Bill sends through the PAO chain. Formatting will be addressed after your review.

Thank you for all you do to support our team.
